

Stage Backdrops and PA Scrims Product Information

Sunbaba, one of the UK's leading event branding specialists has over a decade of experience in helping clients in the UK and Europe brand festivals, concerts and award ceremonies with imaginative and cost effective stage backdrops and PA scrims. Our research and development over the years has led to the introduction of new materials to the market including Austronet, UltraMesh, DigiSound, SoundNet and our new di-sub printed Polyester Canvas and Sharkstooth. Stages and PA wings present an invaluable branding opportunity at festivals and concerts. So if you are looking for an innovative solution for your event, please give us a call.

Sunbaba Environmental Statement

As a company, we are working closely with both our clients and suppliers to reduce environmental, economic and social impact of our products and have a number of recycling options available. Sunbaba is currently in the process of working towards BS9801 compliance.

Product Information

Our specialist range offers a highly cost effective branding solution, so whether you need simple graphics, full colour photographic images or just plain PA scrims we have the product for you. Sunbaba's Digisound and Austronet 202 Soundnet have been used extensively through out the UK and Europe, as their sound transparent meshes minimise distortion even at the high end. Our team works closely with event organisers, production managers and staging companies, offering them one point of contact for all their branding needs, with service from creative design through to technical advice. Don't forget Sunbaba also offer a full range of heras fence and crowd barrier branding solutions and event signage.
