Heras Fence & Crowd Barrier Branding
Events

Heras fencing and crowd barriers are an ideal festival branding medium, they can be used to link areas or to screen off backstage, storage and corporate areas. Over the years, we have developed one of the most comprehensive ranges of plain and printed fence branding. Our range includes UltraMesh, Polyethylene and VestaWeave all ideal for full colour images, plain or overprinted Austronet and our screen printed Non Woven Polyester ideal for continuous banner rolls.

Stage Backdrops and PA Scrims
Events

Backdrops and PA wings present the most prominent branding opportunity for any event featuring a stage. Sunbaba has been helping clients brand their stages with imaginative and cost effective stage backdrops and PA scrims for over a decade. We have recently strengthened our product range of proven UltraMesh, DigiSound and SoundNet with the addition of di-sub printed Polyester Canvas and Sharkstooth fabrics.

Event signage is a crucial and integral part of any event as it provides health and safety, general and specific information about that event. Sunbaba offer a full range of both flexible and rigid sign materials, these include Correx, Foamex, Digipty, Austronet, UltraMesh and Polyethylene. It is recommended that all general health and safety signs should include a pictorial symbol categorised by shape, colour and graphic image.

Flags
Events

Flags have long been an excellent, highly effective method of promotion, advertising and brand awareness. They are also ideal for defining boundaries or to identify a particular attraction or location at an event. Sunbaba's range includes feather flags - ideal for any event, corporate flags for brand awareness and extra large crowd and pitch banners. We also offer a full range of flag accessories including portable flag poles, water bases etc.

PopUp Banners
Events

Double sided, pop-up banners are the modern alternative to the traditional banner frame. They are perfect for use outdoors, at sporting events e.g. golf days or indoors at exhibitions and ensure maximum brand exposure. The lightweight, integral, foldable frames are quick and easy to put up and take down and come with their own carry case so are easy to store and transport. The banners are available in a range of sizes and a rotating version is also available.

Austronet
Events

Austronet is a versatile range of air permeable fabrics unique to Sunbaba and is available either plain or overprinted. Knitted from a special, high strength tape they are lightweight, eco-friendly, water / tear resistant and available in a range of colours. Our Austronet is an ideal medium for covering heras fencing, scaffolding and temporary structures. It is also widely used to create giant projection screens, for ground protection and for PA scrims.

If you would like an Austronet colour swatch
please call Sunbaba on 01638 507684 or 0208 988 9100

www.sunbaba.co.uk

Over last couple of years Sunbaba has seen a dramatic growth in the demand for our range of di-sub printed fabrics. We expect this trend will continue as soft fabrics offer event organisers and production managers a world of possibilities. Therefore to ensure our clients display their soft fabrics to best effect, we have introduced a range of modular, aluminium Edge Frames. The frames are available freestanding, wall mounted or hung from the ceiling.
