Austronet
Heras Fence Covers

Over the last 10 years we have developed one of the widest range of plain and printable materials for heras fence and crowd barrier branding and screening. One our most popular products is our unique range of air-permeable Austronet - a versarsatile range of lightweight, air permeable, water resistant, knitted polyethylene fabrics, which are available in a wide range of colours. Our Austronet heras fence covers are available either plain or over printed and are finished with reinforced edges with eyelets for easy installation and if used and stored correctly can have a long life of upto 5 years.

Sunbaba Environmental Statement

As a company, we are working closely with both our clients and suppliers to reduce environmental , economic and social impact of our products and have a number of recycling options available. Sunbaba is currently in the process of working towards BS9801 compliance.
